Grange Hall Dance - p.2

2nd verse: The people, they come from miles around
The ranchers, farmers, folks from town
There's bald headed men and old fat women
Kids in their teens and little bitty children.

2nd Chorus: So put on your boots and stomp on the floor
And have more fun than ever before
Man, we're really havin' a ball
A dancin' all night at the old Grange Hall.

3rd verse: Well, the sun's comin' up, and it's time to go home
The band, they're playin' that final song
Everyone's leavin' and sayin' good night
But you're lookin' forward to next Saturday night.
