NOT FOR HEROES

words and music by Chris Le Doux

There are songs a-bout the he — roes and the great things they have done, and the hell — they went through to get this far. But this song is for the cow — boy who's nev-er been a he — ro and the hard — times he goes through all the while. — (to 2nd verse) — and all that he's got go-in' is his pride. — He's nev-er been a he — ro— and he'll prob-'ly nev-er be one, but in his heart he knows he gave his all. —— My hat goes off to you my friend and to the champ you might have been if la-dy luck had smiled on you at all. ——

2nd verse: He gives it all he's got, but it's never quite enough
Oh, the Lord and him alone know how he's tried
But he'll try and try again, although he'll never win
And all that he's got goin' is his pride.

— Chorus —

(same changes as 2nd verse)
3rd verse: The broncs are just too tough, and he doesn't have enough
Of what it takes to make it to the top
What makes him want to go - well, Lord, I guess I know
He loves it too damn much to ever stop.

(same changes as 2nd verse)
4th verse: He bites the dust once more - gets up to hear "no score"
Then he stumbles to the chutes to ease the pain
And underneath his breath he cusses to himself
I'll ride him if I get the chance again.

— Chorus —

tag: If Lady Luck had smiled on you at all.
